

Uniform Guidance for August

Transitional - Secondary

We recognise that in the current climate we need to think practically about the uniform we expect our pupils to wear. Some of our school items (blazer and kilt) are not easy items to wash.

Therefore, the following is some simple guidance to maintain the balance between uniform standards and practicality for our parents. In order to keep our community as safe as possible, it is hoped that school clothing will be washed after each use in school. I am hoping that through the rotation of school uniform, sports wear and CCF uniform (if applicable S2-S6) that this will be a realistic protocol for families to follow.

1. Amendments to daily school uniform

Boys

- Black school trousers, black shoes, white shirt, school v-neck jumper and school tie.
- Pupils should consider wearing personal waterproof garments on wetter days.

Girls

As the kilt is a difficult item to wash on a regular basis we are proposing the following options:

- Kilt or black knee length skirt, plain black tights, black shoes, white shirt, school v-neck jumper and school tie.
- Pupils should consider wearing personal waterproof garments on wetter days.

2. School Sport

On a day your child is taking part in school sport, either as part of their curriculum or as part of an after school activity, pupils should come to school in their Morrison's Academy Tracksuit.

Much of the planned PE delivery will be outdoors in the first term, so pupils need to be prepared for that. I would recommend pupils bringing additional waterproofs on the days if they have PE or Games in case of poorer weather. Pupils will be made aware of what activities they are doing so they can bring appropriate footwear. Trainers will be universally accepted.

The volume of activities your child takes place may determine the amount of PE kit you may require. These items can be used for both sport and co-curricular sporting activities.

- School tracksuit - tracksuit top (this item is showerproof)
- Worn under tracksuit (Girls):
Skort and /or plain black leggings
No mesh design and no bright colours for leggings
- Worn under tracksuit (Boys) - shorts and or base layer

- Shorts or skort - **tracksuit must be worn over items when not at PE**
- Rugby or hockey tops
- Polo shirt in white or house colours
- Plain white t-shirt or polo shirt (no logo)
- Personal waterproofs for poorer weather (jacket and trousers on the day they have PE and Games)
- Morrison Academy branded hoodies only (co-curricular sport and PE classes only)

Pupils should consider carrying a spare out layer that they can keep dry for the end of sessions.

We are currently reviewing the August co-curricular sports programme and more information on the required additional equipment (boots, mouth guards, hockey sticks, etc) requirements will be communicated to you shortly.

Changing rooms and shower facilities will not be used on mass in the first phase back to school.

3. CCF

Normal CCF uniform on Fridays for those pupils involved (S2-S6)

The MAPA shop will be open at the following times to receive or purchase any items of school uniform. Please ensure that items being deposited for resale are laundered.

Wednesday 05 August:	1800-1900
Thursday 06 August:	1000-1200
Friday 07 August:	1400-1600
Monday 10 August:	0800-1000
Tuesday 11 August:	1400-1600
